The 120 yard high hurdles has been held in nearly every PCL Track and Field Meet since 1922. In 1926 Everett Seitz of Ottawa ran the 120 yard high hurdles in a record setting time of 14.6 seconds. However, this time is nearly two seconds faster than any other times until the late 1960's and is so out of proportion to the other times for this event that it is thought to be a mistake. Over the years a 14.8 by Mike Nichols of Columbus Grove in 1970 and a 14.8 by Mike Heitmeyer of Ottoville in 1977 was thought to be the record. Since Seitz's time cannot be disproved, he will be recognized as holding the PCL record along with Nichols and Heitmeyer even though the times are different. These records will be retired since the 120 yard high hurdles was converted to a length of 110 meters in 1978.
